A note from the directors

As sophomores in high school, it was only natural that we went together with our friends to see the latest Disney animated film in theaters, Frozen. Since then, we haven't been able to get the catchy songs, sweet characters, and moving themes out of our heads. Thus, when asked what musical we wanted to perform this fall, it took little discussion before we settled on the show that stole our hearts years before, Frozen Jr.

Throughout the rehearsal process, we increasingly discovered how relevant Anna's and Elsa's story is to the world we live in today. These last two years have been incredibly trying and difficult for all of us, but along the way we have learned about the importance of the love of family and community, just as the sisters' story portrays. When you first come to meet Anna and Elsa, you quickly see the pain they've experienced due to their isolation from each other and the world. Then, as the story unfolds, you witness moments of joy as they slowly rebuild their relationships, form new friendships, and connect with the Arendelle community.

Today, we hope this performance offers you moments of excitement, a lot of laughter, and perhaps an opportunity to relate to the trials and victories experienced by the characters. The road to putting on this show has not been easy, but with hard work, dedication, and the help of an amazing, loving God, we are so pleased and proud to "fill the world with light and love" with our performance of Frozen Jr.!

A Special Thank You to Kelly McCray

"Because I knew you, I have been changed for good" – Wicked

For over 12 years, Mrs. Kelly McCray has volunteered her time to this program, pouring blood, sweat, some tears, but a lot of love into making costumes for our shows. She has literally spent thousands of hours researching, picking out the perfect fabrics, rummaging through thrift stores for some costumes while sewing others from scratch, fine-tuning everything down the last detail. Some of her costumes (in our humble opinion) are Broadway-worthy, something most small schools don't get a chance to experience. Our program would not be the same as it is today if it weren't for her and the gifts that God has given her.

Kelly, we wish you the best of luck and we hope your path brings you back to us some day!

The audience for coming and support our students

solī Deo gloria

Thank you!

Dear Friends of the Arts,

We are so blessed here at Trinity by the generosity and support of our family. Despite the challenges these last couple of years have brought to music and performing arts, we are continuing to find new and creative ways to keep music and the arts in the lives of our students and families. In case you missed it, here are some links to some of our performances last year, done in many creative ways. We (hopefully) look forward to having a little more of a normal year with in person concerts, musicals, and events but regardless, our staff and students will continue to be innovative and strive for excellence in the arts.

Our ability to do this is in large part because of your support over the years, so thank you! **If you are looking to make a donation, we would love for that donation to support our program!** A donation of any amount would directly impact the ministry to our students and families.

An annual program called *The Trinity Fund* was established a couple of years ago to help us offset expenses not covered by tuition/fees. I'm excited to tell you that in this year's annual budget, we built in the music and performing arts program's expenses and we are now included in *The Trinity Fund: Music* for 2021/2022. The goal for *The Trinity Fund: Music* is \$34,000 for this school year. These funds will help support our budget for 2021/2022 which includes music and classroom supplies, concert expenses, musical royalties, stipends, guest musicians, new and updating instruments and equipment, and much more. It also includes many music technology upgrades so we can continue to offer music and the arts despite COVID. *So, your dollars go directly to helping students and our performing arts program.*

You can give to the *Trinity Fund: Music* through our website, www.saints.org, or by mailing or dropping off a check at the school or church office. You can make a one-time donation or a monthly contribution, whatever works for you and your budget. Donations need to be postmarked by 12/31/2021 for it to be considered a tax-deductible donation for this year. Every little bit helps us continue to have one of the best performing arts programs in Central Oregon.

Please partner with us again in providing these incredible opportunities to Trinity's family and the Central Oregon community. If you have any questions, please contact Jon Vevia (jon.vevia@saints.org) or Gregg Pinick (gregg.pinick@saints.org). Also, visit trinitybendmusic.org for more information about our program and upcoming events. Thank you in advance for your generosity and support of the arts here at Trinity!

Blessings,

Jonathan Vevia

Director of Worship and the Arts

About the Music and Performing Arts at Trinity Lutheran School:

Lutherans have a rich heritage which focuses on the arts. The performing arts program at Trinity provides a safe, nurturing environment for young, Christian artists to develop their skills and enhance their love of the performing, visual, and digital arts. Trinity has a team of teachers with experience both in the classroom and in the field of their profession, who are committed to excellence. Beginning with our youngest students in preschool, students have an opportunity to develop a love of music and the arts. Whether they want to learn a new instrument, sing in one of the vocal ensembles, or produce something in our digital arts lab, there is something for every student who walks through Trinity's doors.
